ABOUT ME

Final-year BCom Information Systems and Management student at Rhodes University with hands-on experience in SQL, Power BI and Tableau, database-driven web systems (PHP, JavaScript, MySQL) and IT support. Tutor for database/SQL and data analytics content. Keen to build dashboards, automate reporting and use AI-assisted tools to improve digital solutions. Uses ChatGPT/GitHub Copilot to write, debug and validate code. Brings clear communication, collaborative working, organisation and a willingness to build technical capability through structured learning and hands-on experience

TECHNICAL SKILLS

- **Data & databases:** SQL/database concepts, database management, Tableau, Tableau Prep, Power BI and Excel (beginner-level analytics tools)
- **Web development:** HTML, CSS, PHP and JavaScript (foundational/practical project experience)
- **IT support & troubleshooting:** Software troubleshooting, software installation, user support, basic network issue resolution
- **Business & delivery:** Problem-solving, attention to detail, customer service, organisation, teamwork and stakeholder communication
- **Digital operations:** E-commerce administration, inventory coordination, website content, social media campaigns and branding

CERTIFICATIONS AND TRAINING

Data Camp
Introduction to SQL; Data Analysis in Google Sheets; Data Science for Business; Introduction to Power BI

Microsoft ElevateHer
Foundational AI Skills, Business AI Skills and Career AI Essentials

Certified Peer Mentor
Recognized for guiding and supporting first-year students in their academic and personal development.

EXPERIENCE

Information Systems 203 Tutor, *Rhodes University* 2026

- Teach SQL querying, data analytics and database concepts to accounting students, translating technical content into financial reporting contexts
- Adapt explanations to learners' needs and communicate technical material in an approachable way

Student IT Technician, *Rhodes University* 2024 – Present

- Troubleshoot hardware, software, and network issues in a fast-paced library environment, ensuring minimal downtime for users.
- Assisted students and staff with technical problems, translating complex solutions into clear, understandable guidance.

Accounting 1 Tutor, *Rhodes University* 2025

- Provided group tutoring in Accounting, simplifying complex concepts for diverse learning styles and developed students' understanding of accounting principles, improving their academic performance and confidence.

Entrepreneur; E-Commerce, *Lerona Scentuals* 2021 – 2022

- Founded and managed an e-commerce business, overseeing website design, digital marketing, inventory, and customer service.
- Built and maintained strong client relationships, driving sales and ensuring customer satisfaction.

PROJECTS

Mpumi Lets Eat, *Chef Brand Website* 2026/06 – Present
- Developed a website for a chef brand using HTML, CSS, PHP and JavaScript.
- Worked on the site's earth-tone visual styling and explored form/database integration using XAMPP

Masakhane GHT, *Community Service Reporting System* 2026/02 – 2026/09
- Contributed to a student system-development project focused on a web-based platform for reporting community service issues in Makhanda.
- Worked as Risk & Team Organisation Lead, supporting team coordination, risk awareness and project organisation.
- Project technology context included PHP, HTML, CSS, JavaScript and a MySQL/MariaDB database

EDUCATION

Bachelor of Commerce in Information Systems and Management, *Rhodes University* 2023 – Present
- Current student; degree not yet represented as completed.
- Information Systems: Project Management & Communications, Web development (PHP, CSS, HTML, JavaScript), Digital Transformation and Data Analytics (Tableau Prep, Tableau, Power BI, Excel).
- Management: Human resources, Marketing, Strategic and Financial management.

National Senior Certificate, *Shangri-La Academy* 2018 – 2022
- Subjects included: Accounting, Business Studies, Life Sciences, Pure Mathematics, English, Afrikaans (Additional Language).

LEADERSHIP DUTIES AND RESPONSIBILITIES

Association of Black Accountants in Southern Africa: Student Society, 2025
Media & Publicity Officer
Managed social media and newsletter content and supported promotional campaigns for student events.

Rhodes University: Amina Cachalia House, 2024
House Committee Member: Wellness Representative, Peer Mentor and Vacation Sub-Warden
- Planned and coordinated wellness activities and worked with residence stakeholders to support community wellbeing.
- Guided first-year students as they adjusted to university life, sharing resources and offering practical support
- Supported residence activities and helped maintain a safe, inclusive environment for students.
